This Article is brought to you for free and open access by the Great Plains Natural Science Society at DigitalCommons@University of Nebraska - Lincoln. It has been accepted for inclusion in The Prairie Naturalist by an authorized administrator of DigitalCommons@University of Nebraska - Lincoln.

*Editor's note: The staff of The Prairie Naturalist will miss Bob Randall. His dealings with us were always prompt and cordial. We thank Clark Talkington for writing such a nice In Memoriam for Bob. Lawrence Igl has agreed to summarize the North Dakota Christmas Bird Counts for submission to The Prairie Naturalist. We plan to have a short biography for Larry when the first summary is published.*

*Elmer J. Finck, Editor*
