This Article is brought to you for free and open access by the Nebraska Ornithologists' Union at DigitalCommons@University of Nebraska - Lincoln. It has been accepted for inclusion in Nebraska Bird Review by an authorized administrator of DigitalCommons@University of Nebraska - Lincoln.

ACKNOWLEDGMENTS

I'd like to thank the following people and groups for their help with Volume 59 of *The Nebraska Bird Review*:

- The Humanities Research Center, Washington State University, Dr. Thomas C. Faulkner, Director; Rhonda M. Blair, Administrative Assistant; Jian Wang and Ann Garnsey, Research Assistants—For the use of their state-of-the-art Macintosh facilities. Because of the extensive hardware and software in the HRC, an electronic copy of the *Review*, including charts and photographs, can be archived for future reference.
- The Avery Microcomputer Lab, Barbara M. Sitko, Director—For the use of Macintoshes in the AML in preparing the *Review*.
- Rushton G. Cortelyou—For his kind advice and encouragement as well as the plethora of clippings and notes which kept me apprised of many happenings within Nebraska ornithology.
- Norma Johnson-Mueller—For her assistance in arranging for the printing and mailing of the *Review*.
- Sara-Maria Stites-Korpi—For being patient with me when time and time again I said, "Those tables need one more draft." I appreciate your loving support.
