A special committee was appointed at the 1992 Annual Business Meeting to review and recommend changes in the current Articles of Incorporation, and the current and past Bylaws. These recommendations were presented by President George Brown to the 32 members present. After some debate, a motion was made by Emma Johnson, seconded by Ruth Green, that the Articles of Incorporation recommended by the committee be accepted. Motion carried. A motion was made by Clyde Johnson, seconded by Gary Purdy, that the Bylaws recommended by the committee be accepted. Motion carried.

Because of adverse weather and few papers at the Winter Paper Session at Grand Island February 26-28, 1993, it was decided by a motion to omit the Winter Meeting for 1994.

The following officers for the 1993-1994 year were elected by acclamation: President, George Brown; Vice-President, Bill Huser; Secretary, Robin Harding; Treasurer, Colleen Babcock; Editor NBR, Rosalind Morris.
