China Tweetniks

February 25, 2010 in Uncategorized by [The China Beat](#) | [Permalink](#)

Those who follow *China Beat* [on Twitter](#) might have noticed that our long-neglected feed has shown signs of awakening lately. We're slowly trying to figure out the best ways to use Twitter to complement the blog, and have come up with a few ideas that we'll begin incorporating over the next several weeks. Ours is a publicly available page, so you don't need to be a Twitter-er yourself to view our tweets.

We're looking forward to playing around with this technology, and hope it serves to enhance the *China Beat* experience for everyone. If you have suggestions for how we can be the best China Tweetniks possible, send your thoughts to [thechinabeat \[at\] gmail \[dot\] com](mailto:thechinabeat@gmail.com).
