Dee Brown. By Lyman B. Hagen. Western Writers Series, No. 95. Boise, Idaho: Boise State University, 1990. Selected bibliography. 52 pp. \$3.95.

Lyman B. Hagen, of Arkansas State University, has written a helpful aid for students of the writings of Dee Brown. Brown is best known as the author of non-fiction like *Bury My Heart at Wounded Knee*, but Hagen reminds us that Brown has also written novels, historical fiction, and children's books. Hagen combines quotations from various reviews of Brown's work with personal comments by Dee Brown himself to introduce the novice reader to the varied life and writings of this prolific and unconventional author. This book should prove very useful for all students of the American West.
