# NOTES AND NEWS

## CORRECTIONS

In an essay of the Spring 1994 issue, "The Best Kind of Building: The New Deal Landscape of the Northern Plains, 1933-42," by Carroll Van West, the author Catherine M. Stock was erroneously referred to as Catherine M. Stark. We apologize to Dr. Stock for the error.

The Call for Papers for the Center's 1996 symposium printed on page 166 of our summer issue erroneously referred to former Canadian Prime Minister Joe Clark as hailing from Saskatchewan. We thank our Canadian readers for reminding us that Joe Clark was actually born in Alberta.
