It has been accepted for inclusion in Faculty Papers and Publications in Animal Science by an authorized administrator of DigitalCommons@University of Nebraska - Lincoln.

ERRATUM

Open Access

Erratum: Divergent activity of the gonadotropin-releasing hormone receptor gene promoter among genetic lines of pigs is partially conferred by nuclear factor (NF)-kB, specificity protein (SP)1-like and GATA-4 binding sites

Emily A. McDonald^{1,2†}, Jacqueline E. Smith^{1,3†}, Rebecca A. Cederberg¹ and Brett R. White^{1*}

Update and Erratum

The title for the original version of this article [1] unfortunately contained an error. '(NF)-B' has been corrected to '(NF)-kB'.

Author details

Submit your next manuscript to BioMed Central and we will help you at every step:

- We accept pre-submission inquiries
- Our selector tool helps you to find the most relevant journal
- We provide round the clock customer support
- Convenient online submission
- Thorough peer review
- Inclusion in PubMed and all major indexing services
- Maximum visibility for your research
