The *Great Plains Quarterly* seeks a readership among scholars as well as interested laypersons. Subscription rates are \$15.00 for one year and \$28.00 for two years. These rates apply to individuals, libraries, and institutions alike. Single issues may be obtained for \$5.00, plus a modest postage and handling fee of \$.75 if purchased by mail.

The *Quarterly* welcomes the submission of manuscripts and essays that are both solidly researched and interestingly written. In all cases contributions must be free of specialized jargon so that they can be read, understood, and appreciated by persons in other academic fields and by interested laypersons. Total length of manuscripts, including notes and illustrations, should not exceed thirty pages, but shorter contributions will be preferred. All copy, including notes and captions, should be double spaced. References in the notes should conform to the mode specified in *The Chicago Manual of Style*, 13th ed. rev. (Chicago: University of Chicago Press, 1982). See especially chapters 15, 16, and 17. Manuscripts should be accompanied by two duplicate copies and a stamped, self-addressed envelope. Blind review procedures are followed for all contributions to the *Quarterly*. The decision to publish an article rests with the editor in consultation with associate editors.

All correspondence on editorial matters as well as subscriptions should be addressed to *Great Plains Quarterly*, 1214 Oldfather Hall, University of Nebraska-Lincoln, Lincoln, NE 68588-0313.
