Issue #45, Fall 2012

President's Message

Dear Gamma Sigma Delta members,

What a difference a year makes. Last year Nebraska was experiencing ample moisture and flooding. This year, the drought that was focused in southern United States last year, decided to move north. This has put a lot of pressure on everyone with agriculture being most hard hit, and these industries are the economic drivers in our state. As the people of Nebraska joined together to manage through the drought, I thought of the many people at Land Grants and those that went through Land Grants that had a good educational foundation that helped them manage some tough situations. The emblem of our society is a "key" bearing the words "The Honor Society of Agriculture" in small Roman letters and the Greek letters, Gamma Sigma Delta, which are its insignia. The Greek meaning of our name is "the binding arts relating thereto for the welfare of others." How fitting is it that the core of our organization is symbolized as people work through these trying times.

I hope you can attend the Annual Meeting and Seminar to be held October 11 in Chase Hall on East Campus. Dan Cotton, leader of the National eXtension, will be our featured speaker. We have asked him to address "How Will Land Grant Universities Transfer Information to Their Clientele in the Future?" This topic seems fitting as the University of Nebraska's Institute of Agriculture and Natural Resources will be celebrating the 150th Anniversary of the Morrill Act. The 2013 Initiation and Awards Banquet date is set for January 27, 2013. Read more about the banquet in the newsletter. Plan to attend both these Chapter functions. I look forward to seeing you.

Outstanding Graduate Student Award Fund**

Your Nebraska Chapter of Gamma Sigma Delta has established a fund at the University of Nebraska Foundation to allow us to expand our recognition of high standards of scholarship to the graduate student ranks. The **Gamma Sigma Delta Outstanding Graduate Student Award Fund** was initiated with a \$750 grant from the International Gamma Sigma Delta organization. The fund is an expendable fund at this time, however, our goal is to raise \$25,000 to endow it permanently. Your contributions will assist us in reaching this goal.

A Gamma Sigma Delta Outstanding Graduate Student Award Selection Committee will organize the application and selection process. Graduate students in Human Sciences, Agriculture and related sciences who have demonstrated outstanding accomplishment in their teaching, research, or extension endeavors, and great promise for future academic contributions in their field of expertise are eligible.

Please send your donations to the University of Nebraska Foundation at 1010 Lincoln Mall, Suite 300, Lincoln, NE 68508 with the pledge form on page 19. Questions? Contact Kevin Meyer at kmeyer@nufoundation.org.
