# Tractor Test Museum Committee Minutes 4/21/95

---

Present: Splinter, Leviticus, Fenster, Hermann, Hoffman

Committee meeting started at 11:00 a.m.

Chair updated Lawrence Hermann on the committee activities.

According to university policy, committee members can work on renovation projects. McKay, a potential museum committee member, is a building contractor. Splinter will contact McKay about renovating the roof with assistance from other committee members.

The support from Hitchcock Foundation for \$15,000 has been received.

Ageless Iron, the antique tractor show in Iowa, is on schedule. The museum and Tractor Test will probably have some displays. Larsen is going.

Andy Goodman is a potential new committee member.

Need to send separate meeting notices to committee members because too many members do not note the next meeting from minutes of the previous meeting.

May be able to use remainder of funds to renovate a 1925 Ford pickup for exhibition in our renovated museum. Splinter will check on expenditure of funds.

Hoffman was asked to contact Tom Johnson about entrance to museum and the removal of large trees and to replant and re-landscape.

**The next scheduled meeting will be June 15, 10-12:00 in 225 L.W. Chase Hall.** A separate reminder will be sent.
