RE: Tractor Test Meeting

Dr. Splinter has called a meeting of the Committee for February 18 at 10:00 a.m. in Room 225, L.W. Chase Hall. Bill Splinter has met with Larry Sommers, Director of the Nebraska State Historical Society and Bob Puschendorf. They will meet with us to discuss the placing of the Tractor Test Lab on the National Register. They will be accompanied by Mike Rindone, State Architect.

We will meet and then tour the Tractor Test Building. Mr. Rindone will provide suggestions on renovation of the structure.

We have Laura Casey, a master's student in the Museum Studies program, hired this spring semester to inventory the current holdings. We will report on her progress.

The status of the roof and ideas for potential funding will be discussed.
