**“The panelists discuss topics relevant not only to gaining entry into Latino communities but also understanding the dynamics of change that exist both among Latinos and between Latinos and the rest of the population.”**

With the rapidly growing Latino population in the United States comes the urgent need to know about the multiple dimensions of this group. The panelists will discuss topics relevant not only to gaining entry into Latino communities but also understanding the dynamics of change that exist both within Latinos and between Latinos and the rest of the population.
