MINUTES

CONFERENCE PLANNING COMMITTEE

Meeting Held During AAHE in Washington, DC

In Attendance: Marilla Svinicki, Laura Border, Susan Holton, Linc Fisch,

Susan Holton was elected Chair of this committee. Marilla gleefully noted that she will send all of the information on conference sites to Susan (this has been done) and that Susan will be the person to receive all calls about POD conference sites and planning.

The Committee's purpose is: 1) to explore possibility of sites, 2) to contact sites and get specific information, and 3) to make recommendations on sites to the Core Committee. The membership of the committee is to rotate and there will be overlap of membership from one year to the next. Once a conference site has been selected, the Committee will choose (recommend?) a director for that conference and will stay in contact with her/him.

Linc agreed to prepare a "document" on conference requirements for POD.

Membership in this committee for this year includes:

Susan Holton - Northeast

Linc Fisch - Midwest

Art Crawley - South

Laura Border - West

Ron Smith - Canada

Karen (I'm horribly embarrassed - I can't find her last name)

-previous conference director

1989 Conference is in Georgia.

1990 - Marilla is writing to Asilomar about that. (Note: SAH has received a letter from them - they have not yet determined their calendar for 1990. As soon as that is done, they will contact me.)

1991 - not yet determined.

It was decided that we should poll members to see which site they liked and why. We need to determine what facilities are important to POD members and why. This could be done in the form of a fold and staple reply form.

IN ORDER TO FACILITATE THIS: Please send me a list of questions which you would like to ask POD members about the conference sites in terms of facilities, proximity to airports, etc., etc. Please send those to me by the end of June. (Send them to my home: 204 Central Street, Framingham, MA 01701 phone: 617-877-6278).

As a last "official" part of the meeting, we determined the conference locations since the first conference. If you think this is incorrect, please let us know!

Until then, thank you for your indulgence in getting these long overdue notes!
