Re: Evaluation of the Idea-Seminars

It was my pleasure to have been involved in organizing the idea-seminars at the recent POD conference at Chateau Montebello.

I would like to thank you for your cooperation with regard to the timing of these sessions and to accepting such limited audiovisual equipment. The people I spoke to who attended the idea seminars seemed to have only positive things to say about them. As a presenter as well as a possible participant you are in the unique position of being able to give feedback from both perspectives: presenter and member of the meal time audience. I would appreciate it very much if right now you could fill out the attached evaluation form and pop it into the mail to me. It would really help next year's organizers if your suggestions were made known to them. I'll compile them and forward all the recommendations to the program committee.

I am happy to say I met most of you. My regret is I didn't meet each one of you or attend each session. The ones I did attend were informative, helpful and exciting. I shall look forward to meeting each of you in Washington next October.

Thank you for sending the feedback and for doing it right away. A bientôt, au revoir.

Sandy
