## 1995 Home Garden and Landscape Fungicide Survey

by John E. Watkins, Extension Plant Pathologist  
John Fech, Extension Educator

The purpose of this survey was to determine which fungicides are available to the home gardener. The survey included garden centers, discount stores and hardware stores in Omaha. This NebFact is a quick guide to home garden and landscape fungicides. *Shaded areas designate hosts on which that product is registered.* For more information on specific diseases and hosts on which these fungicides can be used, consult the product label.

Fungicide/Ingredient	Distributor	Vegetables	Tree Fruits	Small Fruits	Flowers	Shrubs	Trees	Turf
Funginex (triforine)	Ortho							
Orthenex Insect & Disease Control (Funginex)	Ortho							
Orthenex Rose & Flower Spray (Funginex)	Ortho							
Ortho Multi Purpose Fungicide (Daconil 2787)	Ortho							
Dormant Disease Control (Lime Sulfur)	Ortho							
Orthorix Lime Sulfur	Ortho							
Home Orchard Spray (Captan)	Ortho
