My Dear Mr. Hoover.

I am enclosing
you herewith the photograph of the
supposed Jesse James, the noted bandit.

No doubt, you have read the re-
cent stories in the newspapers of this
man. I was called in on this case
and was ask if I could identify this
man. They know that I am a finger
print expert, but they tied my hands
right on the start. They will not let
this man's finger prints be taken, that

is, his Chief Council, ~~██████████~~
criminal lawyer here and the city
magistrate ~~██████████~~ who is ~~██████████~~
of the Elms Hotel. This man resides
at the Elms Hotel. You know it is
difficult to identify a man without
his finger prints. This man was
supposed to have served a term at the
penitentiary at Chester, Ill. for murder,
but it is my understanding that he was
paroled about the year of 1926, however,
I have no positive proof of this.
It occurs to me that if this man
has a recent criminal record, probably
you will have his finger prints. He
states that he entered the prison under
the name of William Jesse James.
OK 1/21

I am enclosing these photographs because of your experience and knowledge along this line, you will probably render ^{me} your opinion as to the likeness of these photographs. I am aware of the fact that no one can positively identify a person by photographs for the fact that so many people look alike.

Trusting that I am asking nothing out of the ordinary and that I will hear from you in the near future,

Yours very truly,

MEMORANDUM FOR THE DIRECTOR:

JAN 28 1932

NATHAN
Tele. Rm.

Please refer to the letter I have prepared addressed to [redacted] Excelsior Springs, Missouri, concerning the claims of an individual now residing in that city, to the effect that he is the original Jesse James. 7

Of course, Jesse James' fingerprints never were taken. It follows that any identification would have to be made upon the basis of physical characteristics and photographs. The photograph of the younger person transmitted by [redacted] no doubt is a wood cut of the original Jesse James. After examining this photo, or cut, it is the opinion of [redacted], who has specialized somewhat in Portrait Parle, and the undersigned, that the person now claiming to be Jesse James is an imposter. It is realized, of course, that the wood cut may not have been a perfect likeness. It is realized further that the facial appearance of any individual changes with age, but we base our conclusion upon the following: 66

There is a marked dis-similarity in the appearance of the ears, particularly in the outer depression. In the case of the original Jesse James, this is very wide at the top, with the result that the inner depression is narrow. In the case of the person claiming to be James, both depressions are elongated. Other dis-similarities are that the original Jesse James seems to have an elevation over the eyes not noticeable in the photographs of the later James; that the nose of the individual claiming to be James is elongated and inclined to be humped, whereas the nose of the original James seems to be somewhat short and uplifted on the end giving a retrousse aspect; that the jaw of the original James is much squarer than that of the present claimant and that the bald spot on the head of the original Jesse James recedes to a point now covered by the hair of the present claimant. It is noticed also, that the claimants eyes are crossed.

I am attaching a photostatic copy of the fingerprints and photograph of John James, alias John J. James, alias Jesse James, showing his receipt at the Southern Illinois Penitentiary, at Menard, Illinois, on June 9, 1926, to serve a term of one year to life for the crime of manslaughter. It will be observed that he gave his age as 83, and his birthplace as Missouri.

This memorandum is being sent you merely for completion of the file, and possibly for future reference in connection with this case.

Dear Sir:

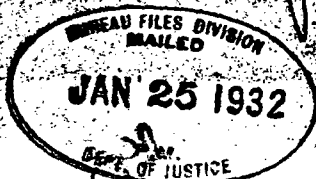

Receipt is acknowledged of your letter of January 15, 1932, concerning an individual claiming to be the so-called original Jesse James.

I am, of course, interested in this matter from an identification standpoint and appreciate your communicating with me relative thereto. I regret, however, that I am unable to furnish you with any advice concerning this case, since, under Congressional legislation the Bureau is restricted, in the exchange of criminal identifying data and information, to cooperation with officially constituted law enforcement officers and agencies only.

Any request from a law enforcement officer for fingerprints or other data in connection with this matter will be given appropriate consideration.

Dear Sir:

Reference is made to your communication of February 23, 1935, advising that you have information relative to Jessie James or some of his men.

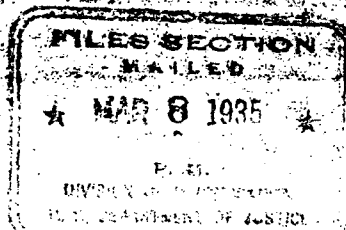

Please be advised that the files of this Bureau contain no information or photographs of this individual or any of his associates, although it is a matter of general knowledge that an outlaw by such name was killed many years ago. I am, accordingly, unable to furnish you with any additional information which might assist you in further identifying the subject of your communication.

I suggest that in the event you have information pertaining to the whereabouts of any criminals you communicate direct with Mr. E. J. Connelley, Special Agent in Charge, Federal Bureau of Investigation, U. S. Department of Justice, 426 U. S. Custom House and Post Office Building, Cincinnati, Ohio.

Very truly yours,

Dear sirs;-

Several days ago an aged man was in this locality who said that he was Jessie James. He said that he had recently reported to one of the U.S. law enforcement agencies and had been given a full pardon.

Now I have no personal interest in this case except that this man says he is getting theatre booking thru this territory, and I believe that he is a full-fledged liar as to his identity. Some friends have asked me to write you and see if you could give us some information as to whether this man is on the level.
